Why Seychelles?

Because the Seychelles islands are different. Among these sheltered islets, the traveller will live the experience of a lifetime within the cheering harmony and welcoming friendliness of the Seychellois, who still live life close to their roots. Mahé, the main island is easily accessible via major hubs like Dubai or Abu Dhabi for less than 5 hours flight, but also directly accessible from Frankfurt for less than 10 hours flight. The local time is 4 hours ahead GMT 0 and The Seychelles' temperature rarely drops below 24°C. The islands lie outside the cyclone belt, making Seychelles' a year round destination for sun worshippers and beach lovers.

Praslin, is Seychelles' second largest island. It lies 45km to the northeast of Mahé and is accessible either via by inter island plane which takes some 15 minutes, or by boat, which may take approximately one hour. Praslin is the site of the fabulous Vallée de Mai, one of Seychelles's two UNESCO World Heritage Sites. The island features truly exquisite beaches such as Anse Georgette, exactly located within Constance Lemuria Seychelles, appearing on the top-10 list of world's best beaches in recent years.

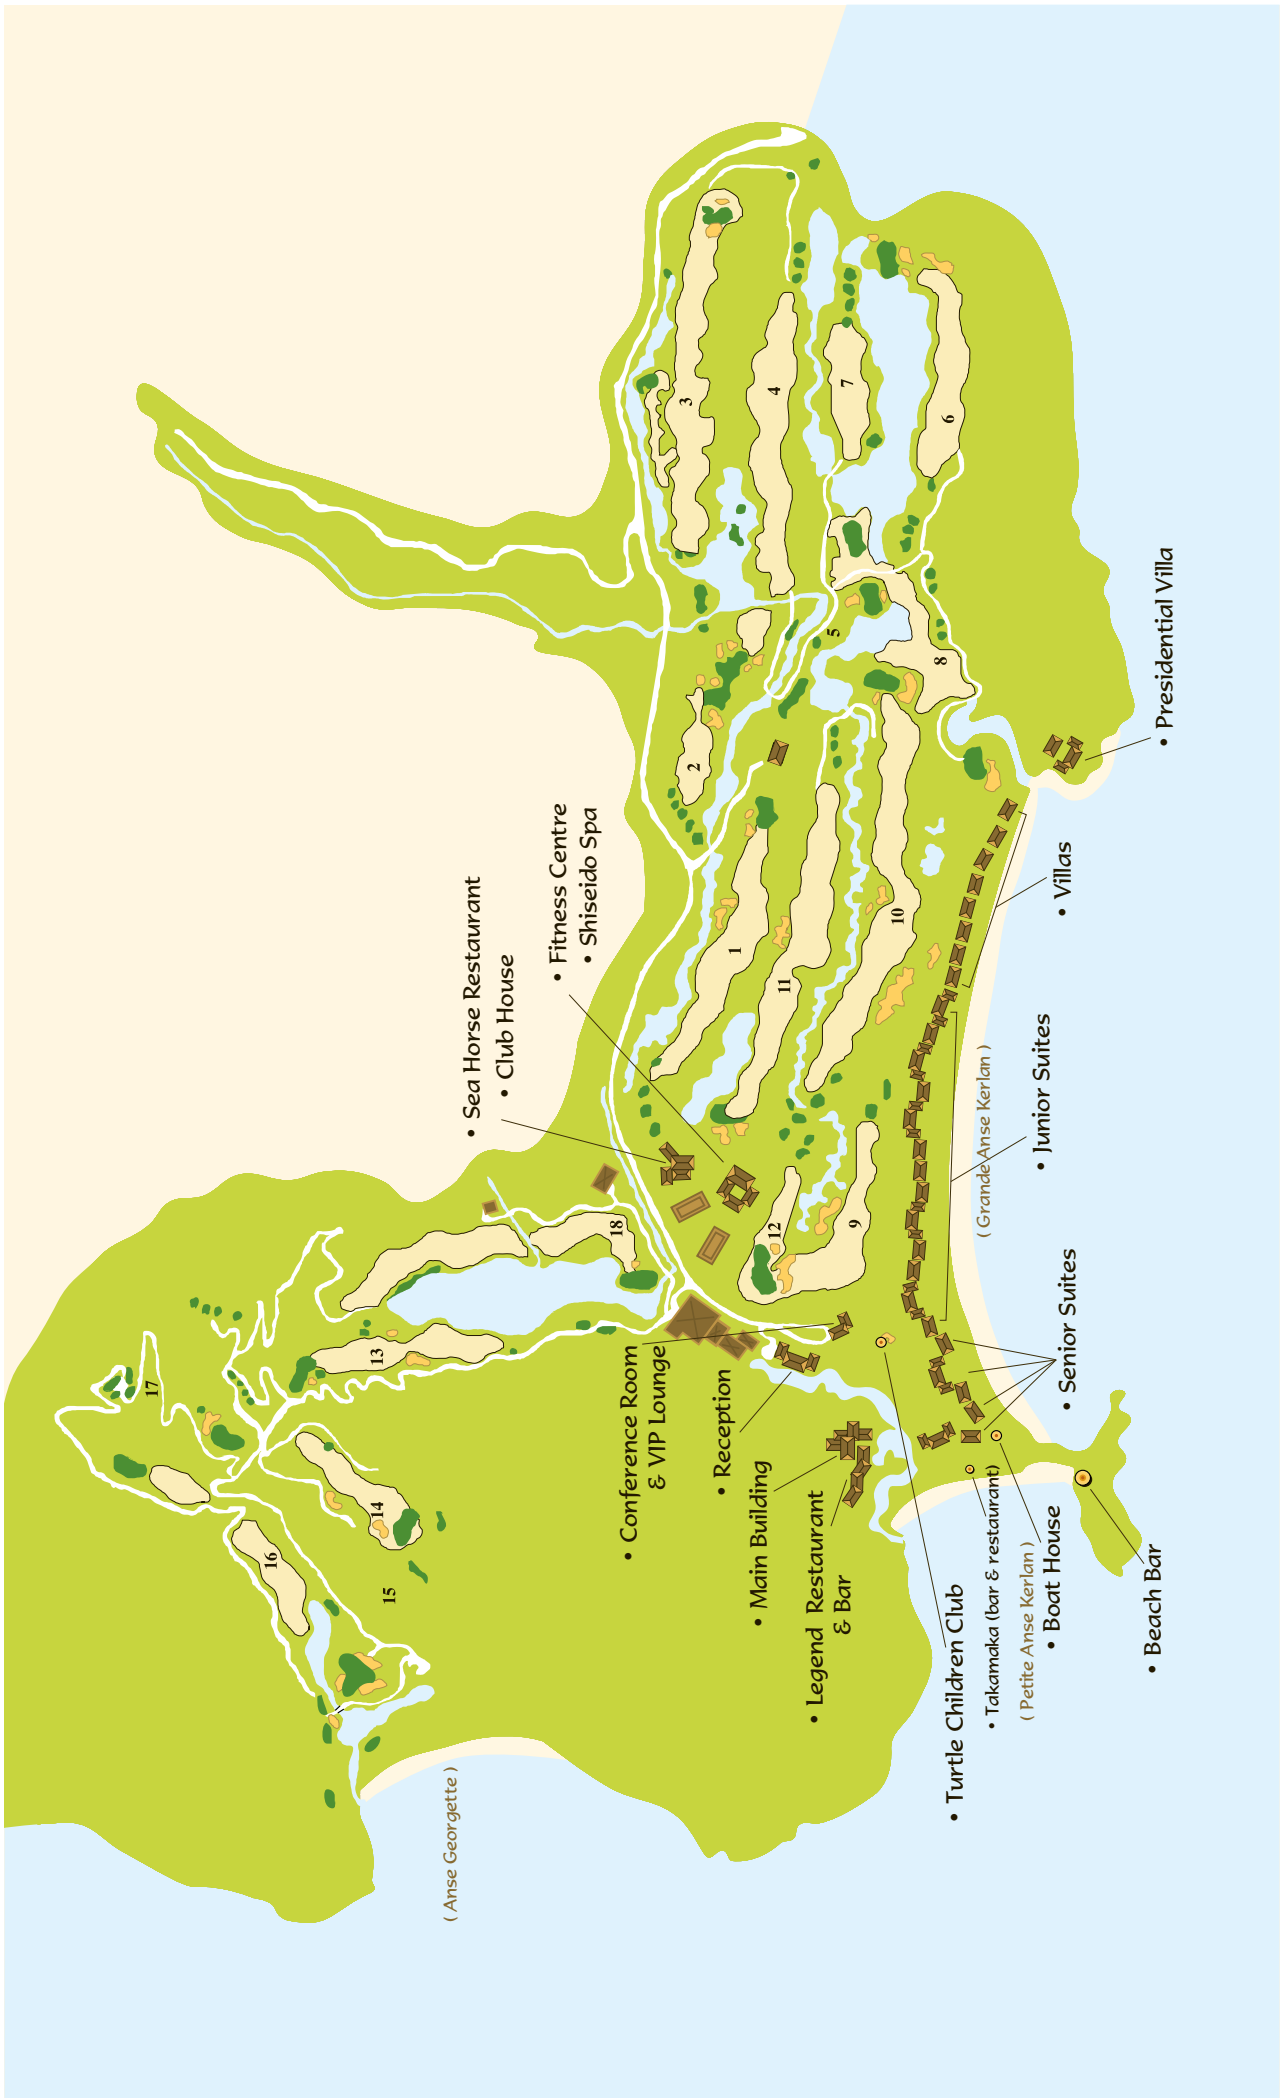

Why Lemuria?

Because only at Constance Lémuria, one will experience the meaning of luxury through the spacious suites and villas with direct views over the Indian Ocean. Constance Lemuria is simply, the Ultimate lifestyle hotel on the island of Praslin in the Seychelles. The swimming pools are an invitation to unwind, seemingly crafted by nature. The one and only 18-hole championship golf course of the Seychelles, famed throughout the whole Indian Ocean by its 15th hole, sandwiched between the sumptuous turquoise sea of the Seychelles, and the forest straight ahead, is certainly one of the reasons to travel to Constance Lemuria, even when not a golfer.

Constance Lemuria is a proud member of the Leading hotels of the World, Leading Spas and Leading golf.
