Why Seychelles?

Because the Seychelles islands are different. Among these sheltered islets, the traveller will live the experience of a lifetime within the cheering harmony and welcoming friendliness of the Seychellois, who still live life close to their roots. Mahé, the main island is easily accessible via major hubs like Dubai or Abu Dhabi for less than 5 hours flight, but also directly accessible from Frankfurt for less than 10 hours flight. The local time is 4 hours ahead GMT 0 and The Seychelles' temperature rarely drops below 24°C. The islands lie outside the cyclone belt, making Seychelles' a year round destination for sun worshippers and beach lovers.

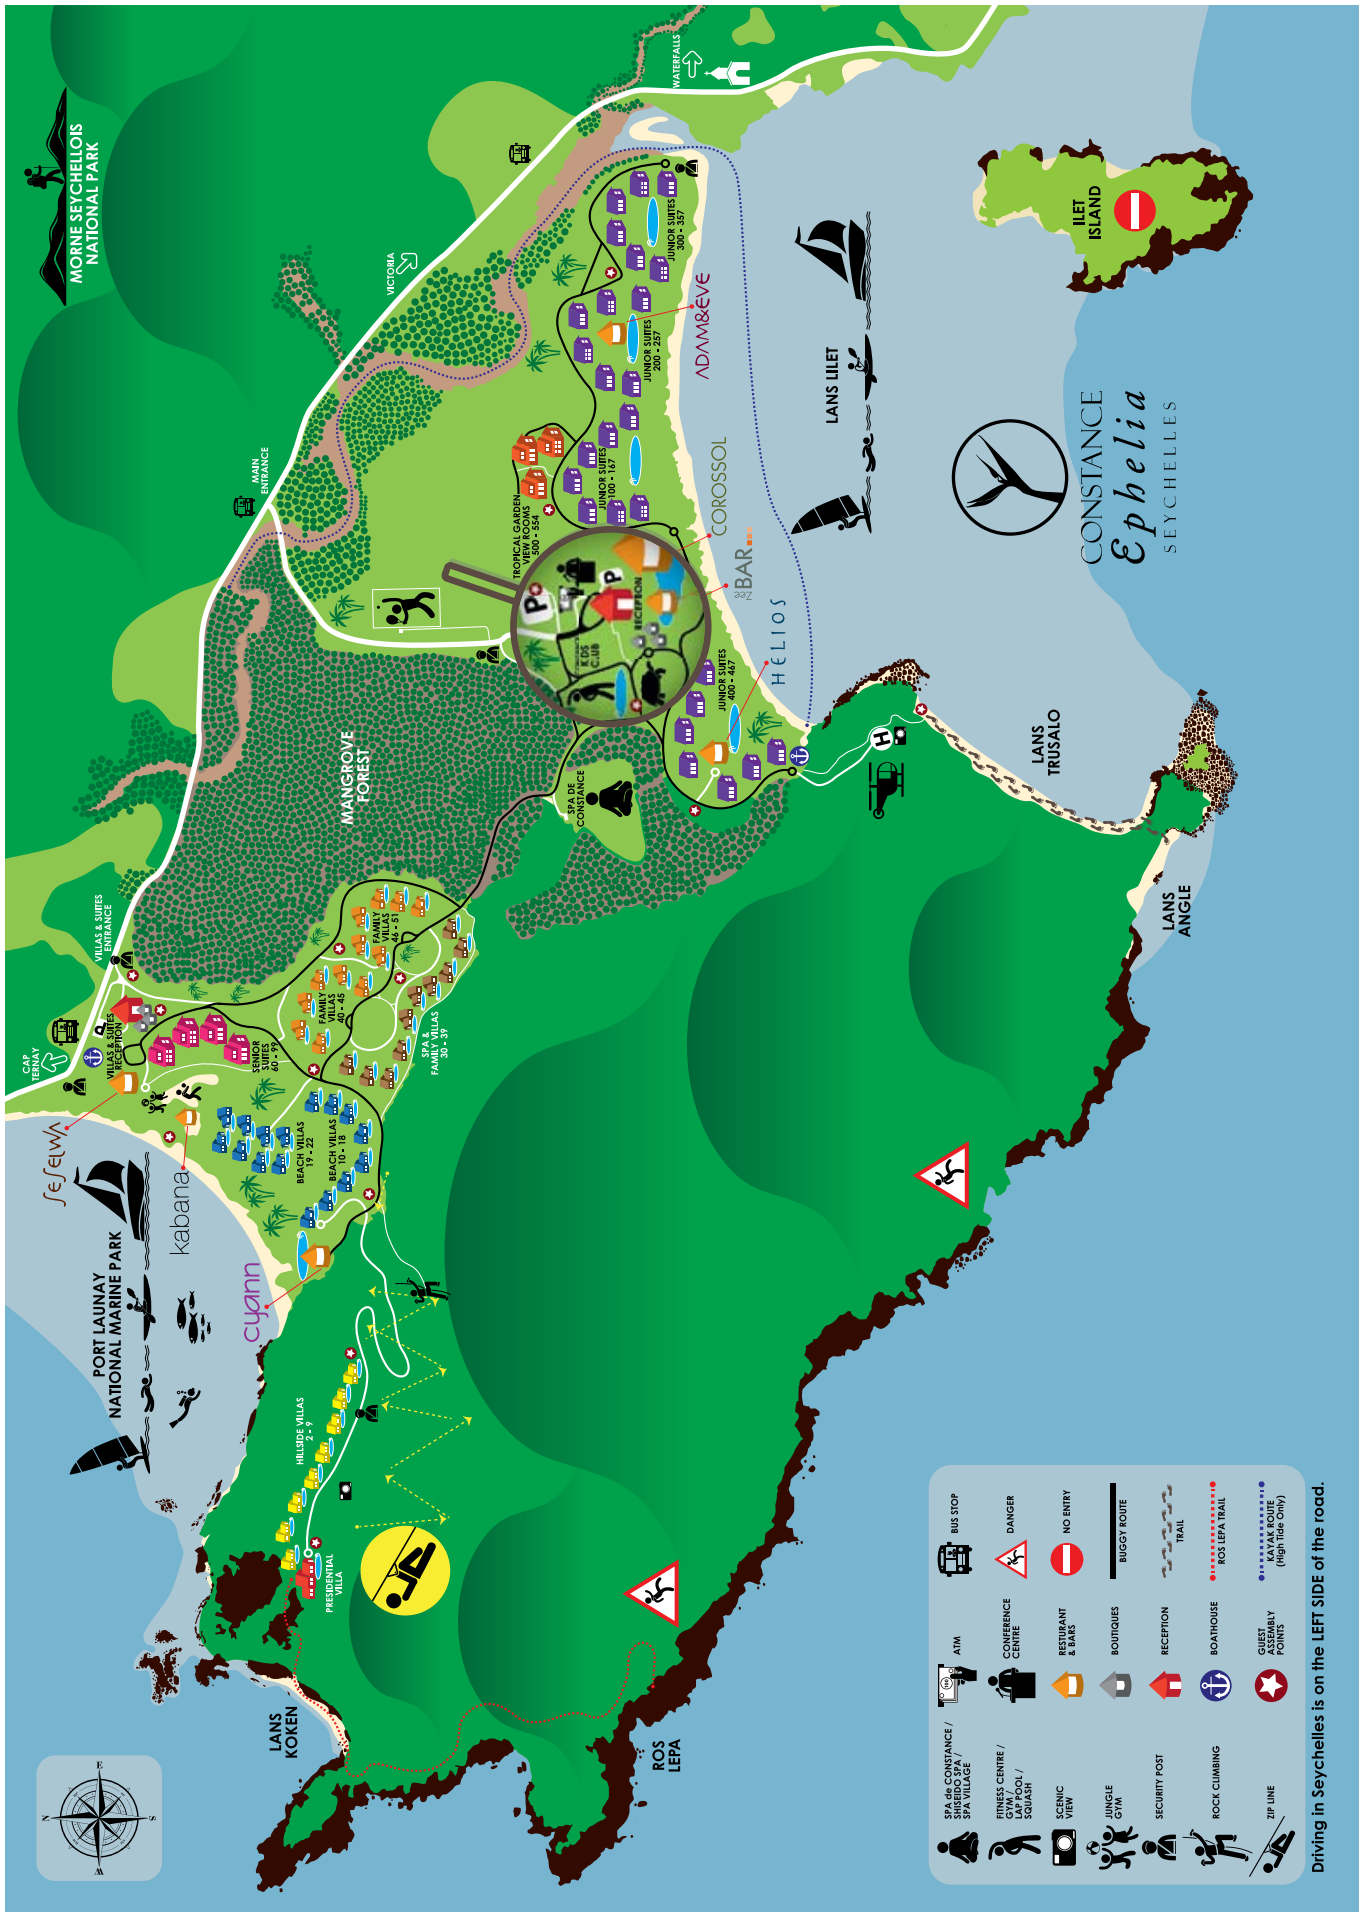

Why Constance Ephelia?

Because you only want to travel stress-free, in one of the most stunning locations of the island of Mahé. Located on two of the most beautiful beaches on the island, overlooking the marine national park of Port Launay, Constance Ephélie Seychelles enjoys a unique site set within 120 hectares of land with luxuriant and rare vegetation. And this beautiful nature within the resort is absolutely amazing! True, the vegetation is very much present and yet, you are in a Unique resort of 267 keys with 5 restaurants and 5 bars, a 5000m² spa, a fully equipped conference room of 264m², an integrated mountain climbing and zip lining activity... and so much more to discover and rekindle. The hotel is divided into two sides: north and south beach, separated by a mangrove forest. Each side has its own entrance and reception service, so one can even think of experiencing two hotels into one resort! Constance Ephelia is surely the right choice for your Incentive trip or Conference event on Seychelles.
